# 2<sup>ND</sup> ANNUAL KNOTWEED COOK OFF!

at our  
April Public Meeting

- We invite you to enter a dish!
- ...or just come by and try some delicious sweet and savory recipes!
- The meeting will also include a brief presentation on the history, impacts, identification, and management considerations of Japanese Knotweed.
- Japanese Knotweed can be found along the banks of Fishing Creek and can be harvested at Kocher Park.
- Search online for recipe ideas! It can be eaten raw or cooked.
- Need assistance on identifying or collecting Knotweed? Message us on Facebook or call (570) 317-9456
